SORSA sends out regular e-mail reminders prior to its monthly meetings as well as notices of upcoming events, meetings, important votes and elections. You MUST be on our e-mail mailing list to receive these notices.

E-Mail Address: _____ Would you like to be on our e-mail mailing list? Y _____ N _____

MEMBERSHIP DUES

The sign-up fee required for membership shall be \$40 with an annual renewal fee of \$30, unless changed by a majority vote of the members at an annual meeting of the full membership. Continued membership is contingent upon being up-to-date on membership dues. **All dues are considered to be tax-deductible contributions to the Southern Oregon Robotics Society of America and are non-refundable.**

RESIGNATION & TERMINATION

Any member may resign by filing a written resignation with the secretary. Resignation shall not relieve a member of unpaid dues, or other charges previously accrued. A member can have their membership terminated by a majority vote of the membership.

OFFICIAL MEMBER BENEFITS

Official members of the Southern Oregon Robotics Society of America will be granted the following benefits as long as membership dues are current: 1) Members shall be eligible to cast one vote in association elections; 2) Members shall be eligible to run for officer positions; 3) Members shall be granted library checkout privileges; 4) Members shall receive discounts on SORSA goods; 5) Members shall receive one membership kit which includes a membership card, a free SORSA t-shirt, a magazine and one Simple Sumo Robotics Kit to assemble; and 6) Members shall receive free admission to all RoboMaxx events hosted by SORSA.

SORSA'S MISSION STATEMENT

The Southern Oregon Robotics Society of America is dedicated to actively promoting robotics in our community by 1) providing aspiring roboticists of all ages a friendly and encouraging atmosphere to exchange ideas and reap the benefits of fellow members' strengths; 2) providing inspiration and provoking the imagination of its members; 3) participating in and hosting local events; 4) offering kids, who may not otherwise have the opportunity, the resources to explore technologies of the future in a fun and educational way; and 5) having fun building robots.

ACKNOWLEDGEMENT

By submitting this application and signing below, I acknowledge that I have read and understand the above statements. I agree with the Mission Statement as set forth above and I will, as a member and representative of the Southern Oregon Robotics Society of America, support the objectives stated therein.
